SUMMARY

Business management professional skilled in Excel-based financial spreading, credit-risk assessment and process governance. Eager to deepen financial-analytics expertise and transition to a strategic leadership track.

WORK EXPERIENCE

Risk and Brand Protection Analyst   **Jun 2024 – Present**
Deloitte, Hyderabad.

- Maintained and validated client and related-party data in independence systems to ensure compliance with internal policies and AICPA, SEC and PCAOB regulations.
- Performed conflict-of-interest reviews on business proposals, financial relationships and engagements, and conducted enhanced due diligence using Bloomberg and other databases to meet anti-corruption and sanctions standards.
- Collaborated with cross-functional teams to design and implement confidentiality and privacy risk-mitigation programs and refine firm-wide best practices.

Portfolio Management Intern   **Jun 2023 – Jul 2023**
Oxane Partners, Hyderabad.

- Managing the financial risks associated with the onboarding of candidates and working with clients at pre-determined rates.
- Analyzing a huge internal and external database for any potential matches and identifying, eliminating the fraudulent candidates.

Talent Acquisition Specialist
SSi People, Bangalore.   **Jan 2022 – Aug 2022**

- Conducted analysis of financial statements to identify trends and utilized financial spreading techniques to assess the creditworthiness of the potential borrowers.
- Developed complex financial models using Microsoft Excel to assess the performance of various investment opportunities and assisted in covenant calculation.
- Analyzed loan agreements to ensure a clear understanding of terms and conditions for effective portfolio management.

EDUCATION
